HAITI

Yes, Consider Haiti is still all about some goats...but we also have a new membership drive going on!

MONTHLY MEMBERSHIP DRIVE: We've realized that to maintain long-term sustainability and meet our budget, we need monthly support. Yearly giving is down—please consider partnering with us! Visit: <https://www.considerhaiti.org/monthly-support>

OTHER NEWS: We're looking for new board members and volunteers. You can also sign-up to receive specific types of future updates from us – medical trips, local volunteer opportunities etc. If you're interested, visit:

<https://www.considerhaiti.org/contact>

GOATS: Our holiday goat program helps 100's of Haitian families yearly. Will you give a goat again this holiday season? Remember, donations in any amount can go towards your choice: our annual budget or community health, sustainable nutrition, clean water, and medical care.

Thank you for your support and interest in Consider Haiti! On behalf of our entire board, we wish you a wonderful holiday season!

Goats make great gifts!

We will send a card and description to your recipient. Simply provide this information in your shopping cart instructions when you check-out.
